

Domestic and sexual violence are not just women's issues.
 We can't do this alone. **That is why we need you.**

Will you take a stand?

Now is the time for Great Men to make a **real and lasting difference**. On Father's Day, each man's name will be listed on our web site, Facebook page and in an advertisement in the Bay City Times, demonstrating a public stand against violence in our community. **You can be a part of change.**

In 2021, because of the support of Great Men:
 106 adults and 104 children spent 7,076 nights in shelter
 603 clients were served
 25 sexual assault victims received forensic exams
